Tuition Reduction Incentive Program

Lake Michigan Catholic Schools will provide a financial incentive in the form of a one time tuition credit of **\$1,000** to current families for each new family you bring into the Lake Michigan Catholic Schools during the 2006-2007 school year.

Why would we want to do this? Simply stated, we believe that LMC families are our best recruiters! You can tell our story better than anyone. From the spiritual experience of our elementary school Masses to the camaraderie associated with our communal prayer services at the middle-high school. From the extensive extracurricular activities made available to our students to the rigorous academic environment where our teachers truly care about each and every student. Show your Laker Pride and help us to grow enrollment at our schools!

You have an opportunity to spread our mission of Nourishing the human spirit ~ mind, body and soul ~ through Jesus Christ and save on your tuition for the 2006-2007 school year.

The Details:

1. For each new family recruited into the Laker family in 2006-2007, current LMC families will receive a \$1,000 credit on their tuition for the 2006-2007 school year.
2. Credits are applied on a per family basis, not on a per student basis.
3. The credit may be applied to tuition only. Fees and books (where applicable) must be paid.
4. Newly recruited families will be required to sign an affidavit identifying the sponsoring family to receive the tuition credit.
5. Tuition credits can be transferred from one family to another with approval of the Executive Director.
6. Tuition credits may not be carried over from one school year to the next.
7. There will be no residual credit applied above and beyond the amount due for the 2006-2007 school year.
8. The actual cash value of the tuition credit is zero dollars. Any benefits from the program are in the form of tuition credits for the Lake Michigan Catholic Schools.
9. Families who have departed LMC and later decide to return are not eligible to be sponsored for the incentive. An exception would be for those families who relocate and qualify for a refund per our tuition policy and move back to our area at a later date.
10. Full tuition credits will be awarded until the final count date in September for enrollment established by the Diocese of Kalamazoo. Credits will be pro-rated on the basis of remaining school days after this date.
11. In the event of a split family (children in the Lake Michigan Catholic Schools and other districts) the admission of another child from the split family to the Lake Michigan Catholic Schools is not an eligible event for the incentive.
